Dear Sir / Madam,

Hong Kong International Airport Career Expo 2024 on 17-19 May 2024

To support the continued growth of the aviation industry and help job seekers including secondary school leavers to look for suitable employment opportunities, the Labour Department and Hong Kong International Airport will co-organise the “Hong Kong International Airport Career Expo 2024” at the Hong Kong Convention and Exhibition Centre in Wan Chai on 17-19 May 2024. I write to seek your kind assistance to bring the event to the attention of students and graduates of your school and encourage them to pay a visit. A softcopy of the event poster is enclosed for your reference.

During the event, over 7,500 vacancies will be available from more than 45 companies across diversified sectors of aviation, including ground services, inflight services, aircraft maintenance, airfreight, aviation security, airport services, baggage handling, engineering and construction, retail and catering, etc. Apart from a number of career talks by participating companies, KOL Bonnie WONG 黃正宜 (阿正) will also deliver a talk “From Dream to Reality : Building a Fulfilling Career” (向夢想進發！職出理想事業). We believe that students and graduates will benefit from knowledge of the employment market thus enabling them to identify suitable employment opportunities. More details of the event including the participating companies and vacancy information can be found at the event website www.hkairportjobs.com (note: a dedicated webpage will be available from 3.5.2024 onwards).

Thank you very much for your kind assistance and support on this matter. Please feel free to contact me if you have any enquiries.

Yours faithfully,

(Miss BOOK Wai-man)

for Commissioner for Labour
