## NZ Universities

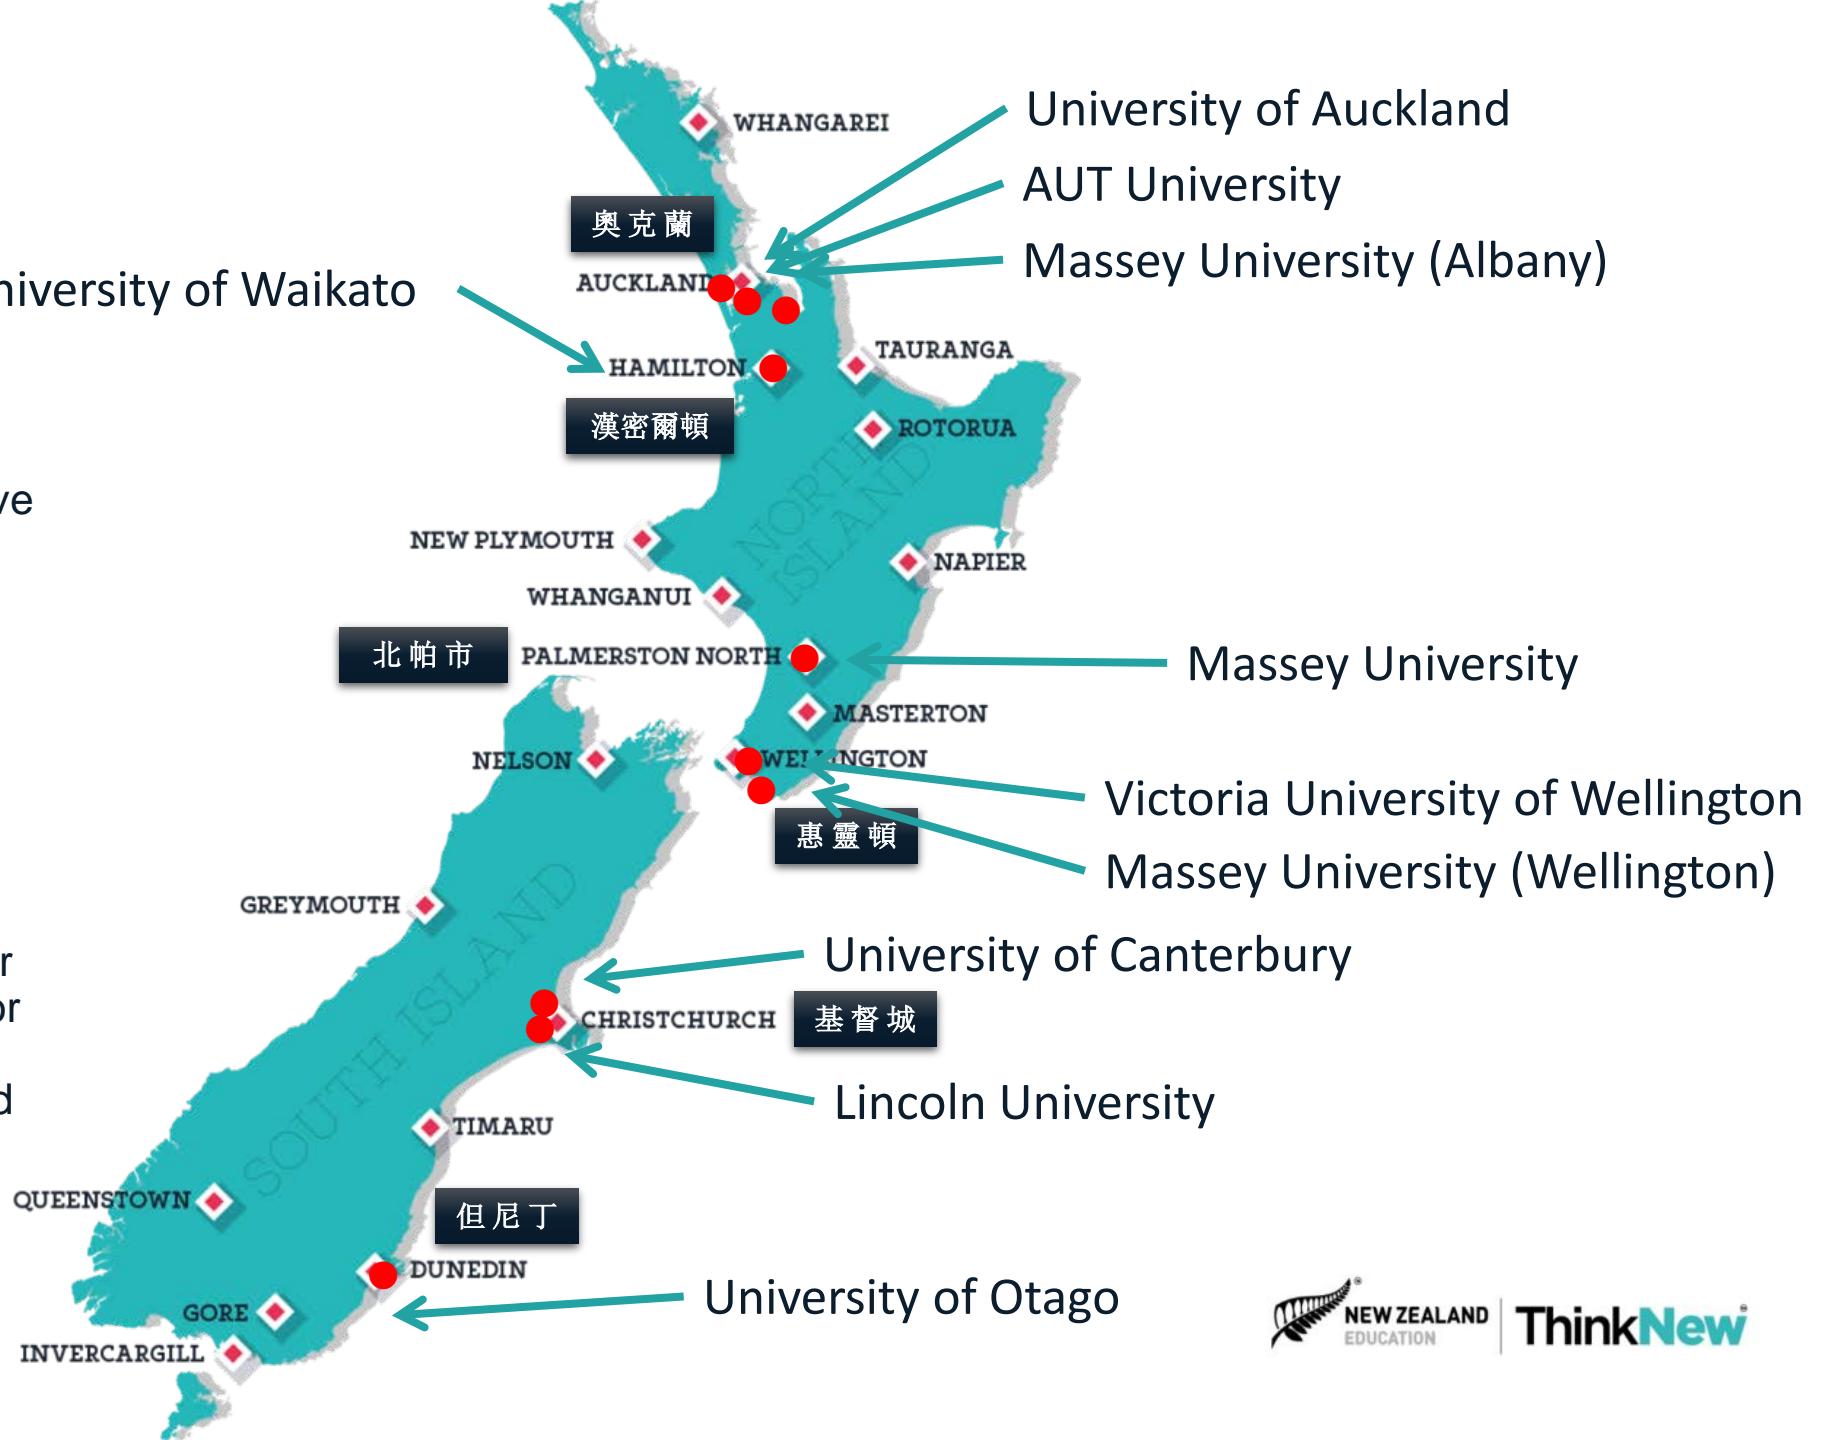

University of Waikato

### NZ university system unusual.

- Universities collectively approve programmes & qualifications.
- Self-moderate quality.

### But it works

- All 8 universities ranked in the top 3% of the world.
- Non-completion rates among the lowest in the world (17% after 8 years) compared with 26.4% for Australia, 41% for the US and around 50% for much of Asia and countries like Chile, Colombia & Brazil in South America.
- Unemployment rates average 2% for all types of graduate
