

3 Guide on Mentorship Alliance of Multicultural Dream Pursuit Project

The Guide on Mentorship Alliance of Multicultural Dream Pursuit Project has been compiled based on the Caritas Youth and Community Service Project Team's experience in promoting the Pilot Project from 2015/16 to 2017/18. This guide aims to introduce the arrangement and points to note of career visit and work experience for NCS students to the community, and it can serve as a reference for organising career-related activities for NCS students in the future.
