

2 Guide for Teachers to Organise Professional Sharing Activities

Guide for Teachers on Conducting Professional Sharing Activities has been compiled with reference to the experience of the Caritas Youth and Community Service Project in promoting the Pilot Project in the 2015/16 school year and the 2017/18 school year. The Guide serves as a reference for teachers-in-charge and relevant project team to organize professional sharing activities for teachers in terms of its mode of delivery and content.
