Beatrix – 會計	Beatrix - Accounting
我是被家人渲染的	I was influenced by my family
因為我爸爸是從事會計行業的	As my father works in the accounting field
他是一個會計師	He is an accountant
所以我就對會計理財有興趣	Therefore, I am interested in account and financial management
這一科主要是圍繞著計算	This subject is mainly about calculation
以及看一看公司的帳目	And taking a look at the company's account
和資金管理	And capital management
主要是要對數字比較敏感	You mainly need to be sensitive to numbers
因為對數字會比較多	Because you are working with numbers most of the time
不能厭倦數字	You cannot be tired of numbers
因為有機會計錯數目，然後找出正確數字	Sometimes you may miscalculate and you need to find out the correct number
所以不能厭煩	So you cannot be annoyed
最主要都是這樣	The situation is mainly like this
最主要得著是日常生活中會善於計算和理財	The biggest reward is that you will be good at calculation and financial management in daily life
能夠好好管理自己的財政	You will be able to manage your money well
不要怕麻煩	Don't be afraid of troubles
要有清晰目標	You need to have a clear goal
