

AUSTRALIAN CONSULATE - GENERAL
HONG KONG

澳洲駐香港總領事館

12 May 2017

Dear Sir/Madam,

Greetings from the Australian Consulate-General, Hong Kong and thank you for your continued support of Australian education.

The Australian Government is hosting the Australia Future Unlimited Education Exhibition (AFUEE) 2017 in Hong Kong on 3-4 June at the Cordis Hong Kong in Mongkok. There will be nearly 40 Australian education institutions and student service providers at the exhibition to provide information on Australian study options, academic pathways and career outcomes.

This year the AFUEE will focus on highlighting Australian education excellence through innovation displays, interactive demonstrations and a series of public masterclasses and career focused seminars. Students can even try the Virtual Reality technology in the exhibition. These experiences will definitely provide Hong Kong students an opportunity to taste the teaching style of Australian university classes and broaden their horizons through demonstrations of advanced technology and innovative topics.

Some of the public masterclasses and seminars are listed below:

- The Making of the World's First Full Length 3D Printed Dress (Masterclass)
- Pokémon®: Are They Biologically Possible? (Masterclass)
- Science: How to Turn Your Curiosity into a Career
- The Secret of a Dietitian Running a Successful Business in Hong Kong

To help us reach students who may be interested in studying in Australia we would be grateful if you could place the enclosed AFUEE Posters on notice boards, upload the exhibition information onto your school website, or email the information through your students' database as appropriate.

For more event information, please visit the event website: www.studyinaustralia.gov.au/hk/afuee2017. If your career teachers would like to speak with our Education Manager, Ms Eve Ching about study in Australia information or group registration for your students, please contact her by email eve.ching@austrade.gov.au or on 2588 5305.

We thank you in advance for your support and hope we can be of assistance in the future with information on Australian education for your students.

Yours faithfully,

Wendy Haydon
Trade Commissioner and Consul (Commercial)
