11 March 2019

Dear Career Masters,

Mong Kok Job Expo – Building a Multi-culture Workplace
on 18-19 March 2019

To foster an inclusive workplace and enhance employment opportunity for local ethnic minority (EM) job seekers, the Labour Department will organise the Mong Kok Job Expo – Building a Multi-culture Workplace on 18-19 March 2019 at the MacPherson Stadium in Mong Kok. I write to request your kind assistance to bring the event to the attention to students of your school and encourage them to visit the event. Soft copy of event poster is separately sent to you for reference.

There are **92 participating employers** providing suitable vacancies for EM job seekers and conducting direct recruitment on spot in the event. Training bodies and support centres will also take part to introduce their training courses and services catered for EMs. Other vacancies suitable for EM job seekers will also be displayed. Furthermore, there will be a mini-exhibition introducing the employment service of the Labour Department, as well as the culture of different ethnic minority groups in Hong Kong.

I should be grateful if you could help to bring the said event to the attention to students of your school, in particular the non-Chinese, and encourage them to visit the event, which will benefit them from knowing the employment market and facilitate their future job search. Further details of the event including the participating organisations and vacancy information have been uploaded to the Interactive Employment Service website of our department at www.jobs.gov.hk

Thank you very much for your kind help and support on this matter. Please feel free to contact me at 2153 2718 if you need have any enquiries.

Yours sincerely,

(Cherry CHAN)
for Commissioner for Labour
