13 December 2019

Dear Principals, Teachers,

**Invitation to Good-Practice Sharing Seminar**  
**Managing “Infinity”: Career Development Tools for Young People**  
**in an Era of The Fourth Industrial Revolution**

CLAP Portfolio *Infinity* is developed to be a career development self-learning and management system for young people, with features and functions that are designed to equip them to meet the fast-changing and unpredictable future against the backdrop of the “fourth industrial revolution.”

Portfolio *Infinity* was first launched in February 2019 and we would like to invite you to this seminar to understand the latest new functions and features, and the conceptual foundation where these features are grounded. At the seminar, we will provide you with practical knowledge and information, resources and demonstration on the new and extended functions of *Infinity*, including *My Work Values* game, CLAP *Discover* e-Learning curriculum, Career Development Achievement Report, and the updated (and more convenient) account management procedure. Details of the event are as follows:

Date: 7 January 2020 (Tuesday)  
Time: 2:30 pm – 4:30 pm  
Venue: Lecture Theatre, 4/F, West Block, EDB Kowloon Tong  
Education Services Centre, 19 Suffolk Road, Kowloon Tong  
(please refer to the location map attached)

We have also invited Education Bureau (EDB), to introduce their new Life Planning Information Website recently launched and how the EDB website and *Infinity* could “power-up” career guidance in secondary schools.

It would be our honor to have your presence at this event. Please register online at <https://adventures.clapforyouth.org.hk/form/index.php/191219> or use the following QR code on or before 2 January 2020 (Thursday). Should you have any enquiries, please feel free to contact Mr. Tony Mak at 3943-9338 or Ms. Ava Lau at 3943-9349.

Online Registration

Yours faithfully,

Leung Seung Ming Alvin (Prof.)  
Dean of Education, CUHK  
Chief Principal Investigator  
CLAP for Youth@JC

*P.S.* Each participant will receive CLAP CLP materials including CLAP card games, and CLAP *Discover* curriculum teaching guide for facilitating the work on career guidance.
