Dear Career Masters,

The Youth Employment and Training Programme of the Labour Department **e-Learning Support Scheme ("eLSS")**

With the concerted efforts of the Labour Department, employers and training bodies, the Youth Employment and Training Programme (YETP) provides a comprehensive and free platform for young school leavers aged 15 to 24 with educational attainment at sub-degree level or below. The programme offers one-stop and diversified pre-employment and on-the-job training to youngsters so as to enhance their employability. Application for the programme is open all year round. We would like to enlist your support in encouraging eligible youngsters to join the programme.

Furthermore, to provide pre-employment and on-the-job training for young people who seek to pursue their career in the sectors of information technology, education and multimedia, and help pave the way to a promising future from school to career, the Labour Department is organising the "e-Learning Support Scheme (eLSS)" under the Youth Employment and Training Programme. Successful trainees will attend a free pre-employment training course (total 100 hours) and have \$70 allowance per pre-employment training day (80% or above attendance). Upon completion of the pre-employment training, trainees will be employed and will undergo on-the-job training with pay in schools for the first 12 months of employment for the position of e-Learning Support Officer. Two central recruitment days will be held on June 26 and July 17. Graduates of S.5 (OAS) / DSE (NAS) without work experience are all eligible to apply for the posts.
