Protect Yourself: Don't fall victim to fraud

- If something seems too good to be true, it probably is!
- Protect your money: IRCC will **never** call you and ask you to deposit money into a personal bank account nor to transfer money through a private money transfer company.
- If you decide to use a representative, choose carefully. Not all **representatives are authorized** to represent you. Visit Canada.ca/immigration-representative.
- Giving **false information** in your application **is against the law**. You could be denied entry into Canada, be deported after you arrive and/or banned from applying in the future.
